REPORT ON SELF DEFENCE WORKSHOP

Platform: Google Meet

Date: October 7th, 2020

No. of Volunteers attended:59

An interesting webinar on self defence to educate young minds especially for girls was organised by NSS CRCE on October 7th. It was the first time that a practical event like this had to be conducted online due to the prevailing circumstances. Hosting a neat, well planned session was a challenge and the ultimate hard-work of our council members paid off. The volunteers too, were a disciplined audience and had a healthy role in making this webinar a success.

The session began with a brief introduction of the speaker Sensei Kashyap Bhanushalji, voiced by event coordinator NSS Dilton D'souza. Sensei Kashyap started off with an amazing practical demonstration of various moves that can be employed to defend oneself in time of need. With the help of his younger brother, Sensei Kashyap showed how attackers approach the victims and also showed how we can defend ourselves even if the physical strength is way less than that of the attacker's. It was indeed an educative webinar. The webinar ended with a Q&A session, and the attendance of the volunteers was recorded.

The key take-away from the session was how we, as individuals, should be aware of the situations which possess a threat in order to defend themselves.

REPORT ON WOMEN EMPOWERMENT

Date: 15th March, 2021.

Mode: Google Meet

No. of Volunteers attended:54

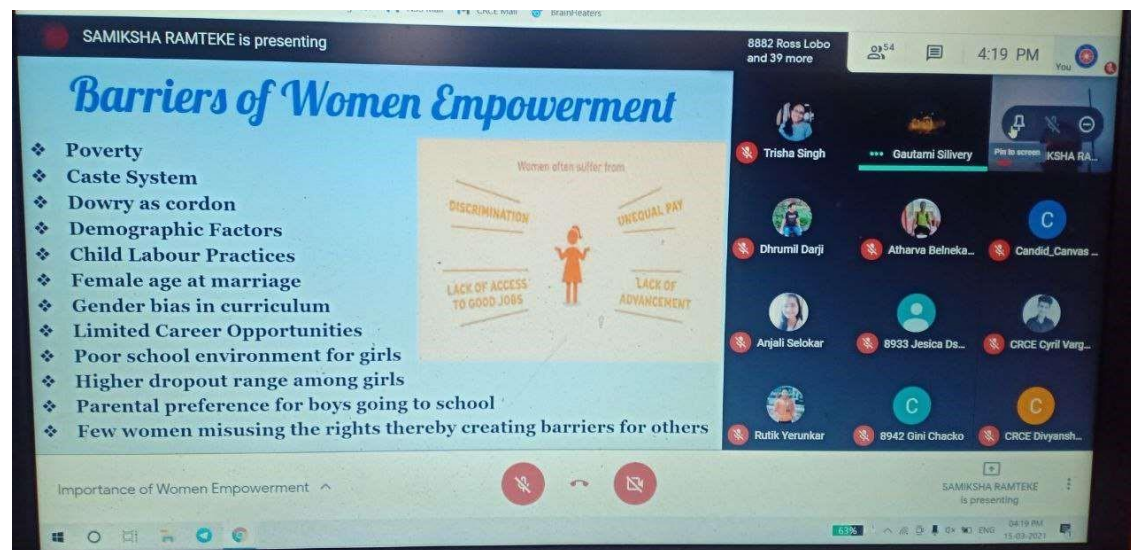

We are all aware of how important Women Empowerment is and how even in 2021, women are still being discriminated based on their gender.

To create an awareness about this issue, NSS CRCE organized an event on Women Empowerment with Katalyst.

Katalyst started a decade ago with the intention of liberating women through the pursuit of professional education.

Their initiative prepares young women for leadership roles and for building self - confidence amongst themselves.

We had three speakers for our event, Gautami Silivery, Samiksha Ramteke and Anjali Selokar. The event started with an engaging presentation from Katalyst. Where in, they spoke about what exactly does one mean by 'Women Empowerment' and what can we as an individual do to support it.

Samiksha and Anjali spoke about the topic from the very basics so that everyone is clear with what they are explaining.

After talking about the basics, Gautami took over and spoke about the never – ending barriers which are imposed on women by society and in some situations, even their families.

She spoke how Women are paid less, expected to cook and still being restricted by their family. Not only this, but also how people now – a – days pass sexist comments like, “Stop driving like a woman!” or “If you go to work, who will take care of the house?”.

Ways to promote Women Empowerment

- ❖ **Create opportunities for women of every age.**
- ❖ **Create new roles for women, so companies can develop better.**
- ❖ **Pay should be equal irrespective of gender.**
- ❖ **Empowering women by educating them.**
- ❖ **Diversify leadership by promoting women for management and executive positions.**
- ❖ **Creating safe space.**
- ❖ **Support Independence and Mobility.**
- ❖ **Educating whole system including men.**

Gautami then spoke about what can we do to promote Women Empowerment. If we see any sort of inequality happening around us, we shouldn't keep quiet! We should raise our voice and ask for equality. After this, the session was ended with a Q & A Session.
